

## Thank you for your faithful giving!

*Hudson Community Chapel regularly supports 55 missionaries and ministries in 29 foreign countries.*

Since the establishment of our building fund tithe, we have helped build church buildings in 10 different countries.

Pastoral training conferences have equipped leaders in 5 foreign countries.

Our primary goal is the fulfillment of the "great commission" by taking the Gospel of Jesus Christ to where it has never been, establish the church where it does not exist, and then disciple believers in their faith.

In short, our passion is to give every person the opportunity to come to know Jesus and grow in Him.

# HUDSON COMMUNITY CHAPEL'S PRIORITY OUTREACH PROJECTS

## Transform an entire village in India

In India, there are scores of small rural villages that have never heard the name of Jesus Christ. One of our trained evangelists will go in, preach the gospel and begin to establish the church. After the church is established, the village is transformed through education, care and compassion ministries, and small business development, and the community is blessed by the presence of believers.

*Annual need: \$16,000*  
*Total need: \$48,000*

## Build a church building in rural India

The churches that we are building in rural India are referred to as "life centers" because they become the place from which the spiritual and economic life of that village comes. The church is the cornerstone upon which the entire village is transformed. You may participate in the building of the physical church structure.

*Total need: \$6,500*

## Sponsor a child at a HCC orphanage

Provide food, shelter, clothing and education for an orphan living in one of our facilities in southern India, the Philippines or Romania. These children are redeemed spiritually as well as physically as they are trained to lead God-honoring lives. Select a child from the country of your choice in India, the Philippines, or Romania.

*Monthly need: \$30*  
*Annual need: \$360*

## Finish the roof at La Republica in Ecuador

Through our sister church in Quito, Ecuador, God is changing an entire country. Traditionally, the evangelical church in Latin America was small and invisible. La Republica is changing the status quo with their outstanding location and bold proclamation of the gospel. The church ministers to military and government officials capable of a far-reaching witness into Ecuadorian society. The congregation currently meets in their fellowship hall and looks forward to opening the new sanctuary which will seat 1,500 people.

*Total need: \$65,000*  
*One share: \$6,500*

## Publish an evangelistic book

One of the most successful evangelistic tools is a book published by one of our missionaries. *True Happiness Can Be Yours* is a clear gospel presentation and personal testimony of Susy Caplinger that has been translated in nine languages and has been distributed around the world.

*Total cost for 10,000 books: \$5,000*  
*One share of Asian languages books: \$500*

## Build our medical ministry in Afghanistan

Ministry to our adopted unreached people group takes on many forms. Through medical missions, we help alleviate the desperate need in Afghanistan while showing the love of Christ in a very concrete way. Help supply a basic health unit that will provide minor surgical, gynecological, and immunization services in Nooristan province, Afghanistan.

*Total need: \$124,000*  
*One share: \$6,200*

## Change lives through the power of the Word.

Provide ordinary, committed Christians with the invaluable tool of Scripture in their own language. Scripture is desperately needed for believers to effectively spread the good news. Help provide Scripture in countries like China where the need is profound. More than anything, the world needs God's Word!

*Distribute a Chinese study Bible for only \$6*  
*Total Cost for 100 Bibles: \$600*

## Help Reach the Tribal People of Mexico

In Mexico, there are over 25,000 unique people groups who have never heard the Gospel of Jesus Christ. Our HCC missionary is reaching these isolated groups through evangelism and church planting. Translation projects are underway for Scripture as well as for the *Jesus* film. Technology has provided another means of outreach in the "Talking Bible", which is a solar powered recording of the New Testament. Help provide these tools which are essential to reaching the lost in Mexico.

*Distribute a "Talking Bible": \$30*  
*Translate a Jesus film: \$3000*

## The Black Renaissance

The Black Renaissance is a movement to equip ten black pastors and ministry teams to start churches in the inner cities of the United States. Our objective is the revival of urban America within one lifetime. We will begin by training these pastoral candidates in a Pastoral Training Institute located here at Hudson Community Chapel.

*Need per Pastor trained: \$5,000*

Once trained, ministry teams will be sent to selected urban centers to establish local churches. These churches will be specifically designed to meet the unique needs of urban communities, with special emphasis upon evangelism and discipleship.

*One church supported for one year: \$90,000*  
*Total need: \$140,000*
