

God's Global Village

North Africa

Play underneath a life size Bedouin tent! Try on a tunic and pretend to ride in a camel race!

Native America Plains

Play in a Native American village! Make a buffalo picture or a beaded necklace. Ride a wild pony or pet a beaver and a raccoon. Dance with bells on your ankles!

Kazakhstan

Come in out of the cold into a child size Yurt! Find the Russian child on the Globe ball and hear her say hello in Russian. Hear a story about children in Russia and take a ride on a Kazak "stick" horse!

Africa

Sit on a reed mat in this 6'x6' Tribal Hut and hear about how some African tribal children live! Have fun playing authentic African instruments, playing hopscotch, and jungle beanbag toss, but watch out for the wild "stuffed" lions, tigers, leopards, and giraffes that surround the hut.

Indonesia

Take a boat to get to this little house on stilts but be careful of the alligator who lives underneath. Take a trip on a missionary plane to deliver supplies to missionaries far away and take time to ring a dolphin!

Medical Relief Team

Treat a friend to great medical care – listen to their heart, look in their ears and put a band-aid on them just right. Make sure they get plenty of rest on the mobile hospital cot.

International Puppet Theater

Have fun playing with people and animal puppets from around the world in the international puppet booth.

Japan

Don't forget to take off your shoes before you enter this Japanese Tea House to try your hand with chopsticks and set the table with play dishes for a Japanese Tea ceremony.

Urban

Fill a shopping cart full of blankets and canned food and see what it is like for homeless people to sleep in a cardboard box. Inner city games like hopscotch and basketball are fun to play!
